

# BRINGING PEOPLE TOGETHER

At STEELFAB we don't just bring people together by building bridges. We also know that people can connect around a fire or dinner table.

## Fire Rings

Bring even more of Alaska to your outdoor space with our heavy-duty, functional, and creatively designed fire rings. Feel even warmer by the fire every time you see the glow of one of our Alaska-themed designs. Give your family the treat of cooking over an open fire that is safe and self-contained.

### Product specifications

12" x 30" or 14" x 36" models  
Designed to fit SteelFab-manufactured grill plate accessory.

### Creative designs include

Moose, bear, mountain, and salmon
